Resurrection of a Vision

For months, we've felt as though we'd somehow (due to circumstances beyond our control) gotten lost on our way to Alaska, with no clear roadmap. Our SEND Partnership Coach recommended we pray for 30 days for our Guide to clarify His call on our lives. As a result, a *God-sized* convergence of events has taken place, directing us toward the village of **Naknek, Alaska** and back to Christian radio at **KAKN**.

Until now, this option was not known to us. It seems to be God's timing that SEND personnel from Naknek were near Chicago when our coach informed us of this possibility. On Tuesday December 6th, we spent three hours with **Mark and Brenda Bindon** who have served in Naknek for the past nine years. Communication between them and the leadership of KAKN also had signs of Divine fingerprints. The Bindons relayed to us that local believers in Naknek have been praying since 2009 for more workers for the harvest, specifically for more technically savvy help at the radio station. Victor's gifts and recent experience at **WGFA** may make him the right fit. We could go from fishing for men in **KANKAKEE** to broadcasting to fisherman from all over the world through **KAKN** (See kagn.org).

Victor and Rev. Paul Nash at their meeting in Minnesota

Preliminary steps were taken as Victor travelled to Minnesota on December 19th to meet with **Rev. Paul Nash**, Director of **AFLC Home Missions**. Pioneering this joint venture between SEND and AFLC will take some time, but it could benefit Alaskan ministries for years to come. We haven't been this excited and energized for some time!

POWER THE TOWER!

We are still in need of financial partners who pledge monthly support. If you haven't done so already, please pray and find out if God would have you be a part of this rescue mission. Thank you!

Merry Christmas!

We pray God's blessings on you and your family this holiday season.

Happy New Year!
